A graduate degree designed around you

The Master of Professional Studies at Middle Tennessee State University is a **fully online, 30-hour graduate program** built for working professionals seeking career advancement, leadership development, and greater flexibility.

With online coursework available 24/7, students can complete assignments and engage with coursework when it works best for them—without putting their careers or personal commitments on hold.

The 30-hour program structure allows students to move efficiently toward degree completion while gaining practical knowledge they can apply immediately in the workplace.

Whether you are advancing in your current field, preparing for new opportunities, or returning to graduate education after time away, M.P.S. provides a pathway designed to move you forward.

Why choose M.P.S.?

The Master of Professional Studies offers:

- Fully online coursework accessible 24/7
- A flexible 30-hour graduate degree pathway
- No GRE required for admission
- Customizable concentrations aligned with professional goals
- Career-focused curriculum connected to workplace needs
- Practical leadership and communication skill development
- Personalized guidance from faculty and program leadership
- A graduate degree option for students from a wide range of academic and professional backgrounds

Choose a concentration that fits your path

M.P.S. students select a concentration aligned with their professional interests and long-term goals. Available concentrations are:

- Human Resources Leadership
- Leadership in Nutrition
- Operations Research
- Strategic Leadership
- Training and Development

Each concentration combines specialized coursework with broader professional development skills that support advancement across industries and career paths.
